Physical Disability Council of NSW INC

Financial Report for the Year Ended 30 June 2017

BOARD'S REPORT

Your board members submit the financial report of Physical Disability Council of New South Wales Inc. Association (Non-reporting) for the financial year ended 30 June 2017.

Board Members

The names of board members throughout the year and at the date of this report are:

Peter Simpson - President

Matthew Kayrooz - Vice President

Chris Sparks - Treasurer

Kevin Finlayson - Member

David Jeffries - Secretary

Caroline Daley - Member

Arthur Theodore - Member

Phil Burfurd - Member

Principal Activities

The principal activities of the association during the financial year were to provide systemic advocacy, education and information to people with physical disabilities in NSW.

Significant Changes

PDCN received a major donation in the 2016/17 year adding to our retained income, along with additional funding to continue the DSO Peer Support Project. These funds, paired with growth in our fee for service training and professional services, and the addition of small management fees for the delivery of projects has seen a marked increase in our retained surplus for this period.

Operating Result

The surplus after providing for income tax for the 2017 financial year amounted to \$260,974.

Signed in accordance with a resolution of the members of the board.

Peter Simpson, President

1 solume a

Chris Sparks, Treasurer

Dated this 22nd day of August 2017

The accompanying notes form part of these financial statements.

NOTES TO THE FINANCIAL STATEMENTS FOR THE YEAR ENDED 30 JUNE 2017

NOTE 1: SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

The financial statements are special purpose financial statements prepared in order to satisfy the financial reporting requirements of the Association Incorporations Act 2009. The board has determined that the association is not a reporting entity.

The financial statements have been prepared on an accruals basis and are based on historical costs and do not take into account changing money values or, except where stated specifically, current valuations of non-current assets.

The following significant accounting policies, which are consistent with the previous period unless stated otherwise, have been adopted in the preparation of these financial statements.

a. Income Tax

The association is exempt from income tax under Subdivision 50-B of the Income tax Assessment Act 1997

b. Property, Plant and Equipment (PPE)

Plant and equipment is carried at cost less, where applicable, any accumulated depreciation.

The depreciable amount of all PPE is depreciated over the useful lives of the assets to the association commencing from the time the asset is held ready for use.

c. Economic Dependence

The association is dependent upon the NSW Department of Family & Community Services for the majority of its operating revenue. At the date of this report the department has guaranteed funding up to 30 June 2018 in accordance with its standard 3-year funding agreement.

d. Employee Provisions

Provision is made for the association's liability for employee benefits arising from services rendered by employees to the end of the reporting period. Employee provisions have been measured at the amounts expected to be paid when the liability is settled.

e. Provisions

Provisions are recognised when the association has a legal or constructive obligation, as a result of past events, for which it is probable that an outflow of economic benefits will result and that outflow can be reliably measured. Provisions are measured at the best estimate of the amounts required to settle the obligation at the end of the reporting period.

f. Cash on Hand

Cash on hand includes cash on hand, deposits held at call with banks, and other short-term highly liquid investments with original maturities of three months or less.

g. Accounts Receivable and Other Debtors

Accounts receivable and other debtors include amounts due from members as well as amounts receivable from donors. Receivables expected to be collected within 12 months of the end of the reporting period are classified as current assets. All other receivables are classified as non-current assets.

h. Revenue and Other Income

Interest revenue is recognised using the effective interest method, which for floating rate financial assets is the rate inherent in the instrument. Dividend revenue is recognised when the right to receive a dividend has been established.

NOTES TO THE FINANCIAL STATEMENTS FOR THE YEAR ENDED 30 JUNE 2017

Revenue in relation to rendering of services is recognised depends on whether the outcome of the services can be measured reliably. If this is the case then the stage of completion of the services is used to determine the appropriate level of revenue to be recognised in the period. If the outcome cannot be reliably measured then revenue is recognised to the extent of expenses recognised that are recoverable.

If conditions are attached to the grant that must be satisfied before the association is eligible to receive the contribution, recognition of the grant as revenue will be deferred until those conditions are satisfied.

All revenue is stated net of the amount of goods and services tax.

i. Goods and Services Tax (GST)

Revenues, expenses and assets are recognised net of the amount of GST, except where the amount of GST incurred is not recoverable from the Australian Taxation Office (ATO). Receivables and payables are stated inclusive of the amount of GST receivable or payable. The net amount of GST receivable from, or payable to, the ATO is included with other receivables or payables in the assets and liabilities statement.

j. Accounts Payable and Other Payables

Accounts payable and other payables represent the liability outstanding at the end of the reporting period for goods and services received by the association during the reporting period that remain unpaid. The balance is recognised as a current liability with the amounts normally paid within 30 days of recognition of the liability.

INDEPENDENT AUDITOR'S REPORT TO THE MEMBERS OF THE PHYSICAL DISABILITY COUNCIL OF NSW INC

Opinion

We have audited the accompanying financial report, being a special purpose financial report, of The Physical Disability Council of NSW Inc., which comprises the statement of financial position as at 30 June 2017, the statement of profit or loss and other comprehensive income, statement of changes in equity and statement of cash flows for the year then ended, and notes to the financial statements including a summary of significant accounting policies and other explanatory information, and the certification by members of the board on the annual statements giving a true and fair view of the financial position and performance of the association.

In our opinion, the financial report presents fairly, in all material respects, the financial position of The Physical Disability Council of NSW Inc as of 30 June 2017, and of its financial performance and its cash flows for the year then ended in accordance with the accounting policies described in Note 1 to the financial statements and the Associations Incorporation Act 2009

Basis for Opinion

We conducted our audit in accordance with Australian Auditing Standards. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Report section of our report. We are independent of the entity in accordance with the ethical requirements of the Accounting Professional and Ethical Standards Board's APES 110 Code of Ethics for Professional Accountants (the Code) that are relevant to our audit of the financial report in Australia. We have also fulfilled our other ethical responsibilities in accordance with the Code.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

Emphasis of Matter - Basis of Accounting

We draw attention to Note 1 to the financial report, which describes the basis of accounting. The financial report has been prepared to assist the Physical Disability Council of NSW Inc to meet the requirements of the Associations Incorporation Act 2009. As a result, the financial report may not be suitable for another purpose.

Emphasis of Matter - Material uncertainty

The Physical Disability Council of NSW Inc is heavily reliant on grants from the Australian Government. Notwithstanding that as at 30 June 2017, it is in a net asset position of \$510,636, we note that the association faces uncertainty whether this funding will continue due to the introduction of the NDIS. In the event that this does not occur, we express the view that there is significant uncertainty that the company can continue as a going concern.

Responsibilities of Management and Those Charged with Governance for the Financial Report

Management is responsible for the preparation and fair presentation of the financial report in accordance with the financial reporting requirements of the applicable legislation and for such internal control as management determines is necessary to

enable the preparation and fair presentation of a financial report that is free from material misstatement, whether due to fraud or error.

In preparing the financial report, management is responsible for assessing the entity's ability to continue as a going concern, disclosing, as applicable, matters relating to going concern and using the going concern basis of accounting unless management either intends to liquidate the entity or to cease operations, or has no realistic alternative but to do so.

Those charged with governance are responsible for overseeing the entity's financial reporting process.

Auditor's Responsibility for the Audit of the Financial Report

Our objectives are to obtain reasonable assurance about whether the financial report as a whole is free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with the Australian Auditing Standards will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of this financial report.

As part of an audit in accordance with Australian Auditing Standards, we exercise professional judgment and maintain professional scepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the financial report, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and
- appropriate to provide a basis for our opinion. The risk of not detecting a material
 misstatement resulting from fraud is higher than for one resulting from error, as
 fraud may involve collusion, forgery, intentional omissions, misrepresentations,
 or the override of internal control.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the entity's internal control.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.
- Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the entity's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the financial report or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the entity to cease to continue as a going concern.

 Evaluate the overall presentation, structure and content of the financial report, including the disclosures, and whether the financial report represents the underlying transactions and events in a manner that achieves fair presentation.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.
